ABOUT LOGMAT 2026

Now entering its 11th successful year, LOGMAT continues to be Tamil Nadu's only dedicated B2B exhibition for the Material Handling, Warehousing, Intralogistics and Supply Chain sectors.

The 2026 edition builds on a decade of consistent growth and exhibitor trust – combining:

- Live technology demonstrations on the show floor
- Data-driven visitor marketing across South India
- High-quality buyer engagement with decision-makers from manufacturing, logistics, warehousing, e-commerce, infrastructure and more

Why Tamil Nadu?

India's Industrial Powerhouse Driving the Logistics & Supply Chain Revolution

- India's Second-Largest GDP Contributor – a major engine of national growth
- Strategic Logistics Gateway – 4 major ports, 18 minor ports, 4 international and 2 domestic airports
- Industrial Backbone – 140+ industrial parks, 10,000+ MSMEs and thriving warehousing hubs across Chennai, Coimbatore, Hosur & Tiruppur
- Automation & Manufacturing Hub – strong adoption of advanced material handling, robotics and intralogistics solutions
- Thriving Warehousing Ecosystem – expanding cold chain, smart warehouses and integrated storage systems catering to manufacturing, retail and e-commerce

Tamil Nadu – The Gateway to Southern India's Industrial & Logistics Growth.

Why Exhibit at LOGMAT 2026?

Exhibiting at LOGMAT 2026 puts your brand in front of serious, investment-ready buyers from across South India's fastest-growing industrial and logistics corridors.

Continued Exhibitor Benefits

Enjoy Early booking benefits, loyalty discounts for repeat participation, and priority positioning at the show.

Get hassle-free operations with free machine handling, power and compressed air.

Maximize ROI through real-time visitor tracking, lead capture & analytics, along with strong pre- & post-event visibility.

At LOGMAT, we don't just host an exhibition - we build opportunities for business growth and lasting industry collaboration.

What's New? and Still Exclusively LOGMAT!

(Proudly introduced and practised only by us)

New Reforms Every Year – continuous value creation through improved exhibitor services and sharper visitor marketing initiatives

- Indoor + Outdoor Live Demo Zones for real-time machinery, material handling and automation showcases
- VIP Visitor Drive targeting top decision-makers across South India's industrial belts
- Exclusive Exhibitor Marketing Drives – digital campaigns, print ads and WhatsApp outreach to promote exhibitors and their solutions
- Access to 2023, 2024 & 2025 Visitor Data (as permitted) for targeted pre-show engagement and post-show follow-up

Visitor Profile & Key Visiting Companies

Who Will You Meet?

LOGMAT attracts a focused, South India-centric audience of decision-makers and influencers from:

- Core Manufacturing – automotive & auto components, engineering, capital goods, FMCG, consumer durables, textiles & garments, electronics & electricals, process industries
 - Logistics & 3PL – contract logistics, distribution, last-mile and multimodal service providers
 - Warehousing & Industrial Parks – developers, operators, cold chain and 3PL-managed facilities
 - E-Commerce & Retail – fulfilment centres, omni-channel operations and quick-commerce players
 - Construction & Infrastructure – industrial builders, EPC contractors, project developers
 - Government & PSUs – logistics and warehousing-linked departments, agencies and boards
- Across roles:**
- CXOs, owners and business heads
 - Plant, operations, warehouse and logistics heads
 - Procurement & projects managers
 - Technical, engineering, automation and IT leads

Year-on-Year Growth

LOGMAT is scaling up with every edition:

2023:

- Integrated supply chain management tools

Who Should Exhibit ?

LOGMAT is ideal for:

- Equipment manufacturers & authorised distributors in material handling, cranes, racking, automation and AIDC
- System integrators and solution providers for intralogistics, WMS/TMS, automation and robotics
- 3PL & logistics companies looking to promote warehousing and value-added services
- Infrastructure & industrial park developers offering warehousing and logistics facilities
- IT & software companies with supply chain, visibility and optimisation platforms
- Consultants and project companies involved in warehouse design, automation and optimisation

Why Visitors Value LOGMAT ?

Visitors value LOGMAT to see end-to-end solutions, experience live demos, compare technologies/ROI, and learn from focused expert sessions.

They also come to meet partners, 3PLs and tech providers-meaning exhibitors engage with visitors directly involved in decisions and implementation.
